

General Terms & Conditions (GTC) for online bookings «vouchers»

At St. Moritz Tourismus AG vouchers can be purchased online via the Experience Shop of St. Moritz Tourismus AG. St. Moritz Tourismus AG is the legal operator of an E-GUMA® voucher management system of the company Idea Creation GmbH. These GTCs are accepted with every order. Errors arising from transmission, typesetting or printing cannot be excluded.

Purchase of vouchers

Each voucher can be purchased online for a chosen value (minimum value: CHF 50).

The voucher generally can be redeemed for all services provided by the participating partners.

Following the purchase, the buyer receives a confirmation e-mail at the e-mail address that was provided.

The voucher is valid for 10 years, commencing from the date of purchase.

Dispatch of the vouchers

The buyer can choose between two shipping options:

- Dispatch of the voucher by e-mail to the specified e-mail address
- Dispatch of the voucher by post (postal dispatch) to the postal address given.

If the buyer chooses to have the voucher sent by e-mail, he/she will receive an e-mail with the purchased voucher(s) after placing the order.

If the buyer chooses postal delivery, he/she will receive a confirmation e-mail with the order confirmation after the purchase.

This order confirmation is not a substitute for the value voucher.

The actual value voucher will be sent to the buyer by post after the order has been processed.

Redemption

The vouchers cannot be redeemed at the Experience Shop of St. Moritz Tourismus AG.

Once purchased, the voucher can be redeemed at all participating partners of the destinations Engadin and St. Moritz.

The partners read the QR code and debit the corresponding amount required.

In case of loss, the voucher cannot be replaced.

The voucher is personalised but can be transferred. St. Moritz Tourismus AG accepts no liability in the event of loss, theft, or damage to the voucher. The responsibility for the value voucher and the associated value lies with the purchaser.

The balance of the value voucher can be used for full or partial payments with one or more partners.

The use of more than one voucher with the same code is considered fraud and is punishable by law.

Returns and exchanges

Vouchers cannot be returned or exchanged.

Vouchers cannot be returned to participating partners for cash value.

Amendments or additions

The St. Moritz Tourismus AG reserves the right to adapt and modify the above mentioned GTC and the content as necessary.

The currently valid version of the GTC is published on the website of the Experience Shop.
